## Map of Portugal

**The sea mappe of Portugal wherein are situated the most famous mart towne of Lisbon & St Vues with their rivers and coastes as they show when you saiell up and downe them**

This map was published in London in 1588. It is a chart from Anthony Ashley's English edition of 'The Mariners Mirrour'. Lord Howard of Effingham ordered Waghenauer's sea atlas, 'De Spieghel der Zeevaardt', to be translated. It was so popular that 'waggoner' became the English term for a book of charts.
